CVCE Word List

56 magic-e words (cake, bike, note, cube) grouped by the vowel that changes.

A CVCE word ends in a consonant and a silent e. The e is not pronounced, but it changes the vowel in front of it from its short sound to its letter name, so cap and cake do not rhyme. Teach this after CVCC and CCVC, not alongside them.

a_e words (14)

The a now says its letter name, as in cake.

bake	cake	came	game	gave
lake	lane	make	name	pave
safe	sale	tape	wave	

i_e words (18)
